# REACH FOR KNOWLEDGE.

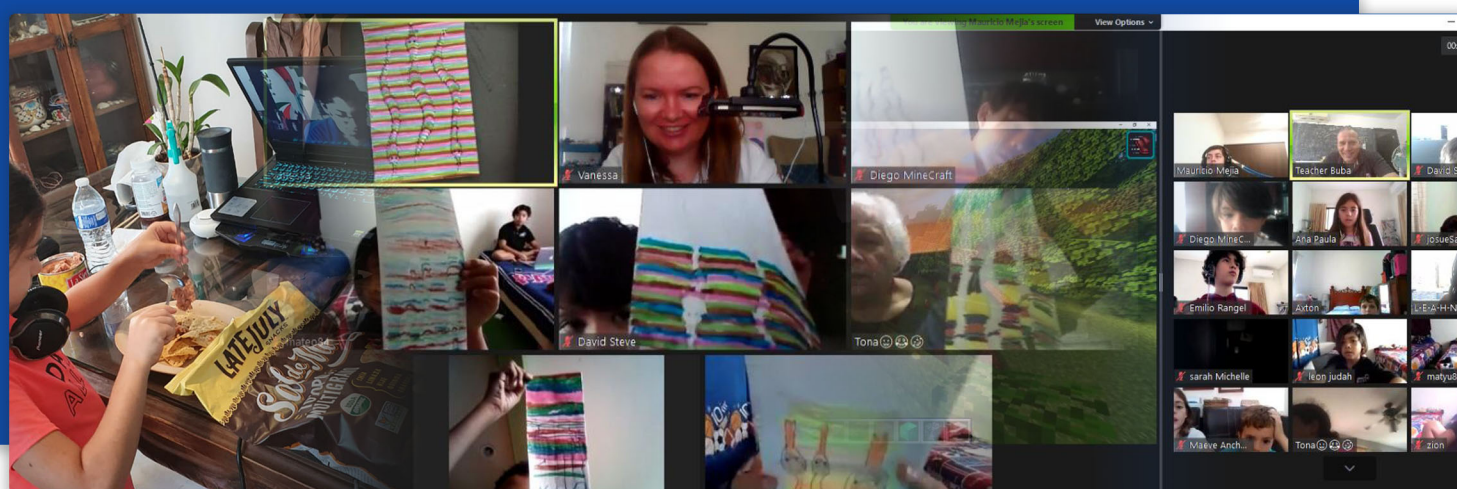

## ABOUT US

**Universal One International Academy** is a Global School and the next level of education with great flexibility and mobile classroom.

**No need to spend money** and overhead on lavish schools and buildings. We are offering an extremely flexible and versatile approach to presenting content to students in a tropical environment, located in Merida, Yucatan Mexico .

**Our approach to teaching** is designed to prepare students by providing them the skills needed to succeed in the 21st century and beyond. Students learn college level courses at the age of 12 and younger.

*The minds of the young are like sponges ready to absorb higher level knowledge.*

### HOW AND WHAT WE TEACH

#### KINDERGARDEN - POLYGLOT TOTS

Students are exposed to learning in a positive fun environment by utilizing singing, dancing, movement, workbooks, videos and tablets. We start their Second Language acquisition in English or Spanish. We introduce Critical Thinking skills by presenting choices and teaching them to evaluate and select an approach.
